

*Ministero degli Affari Esteri  
e della Cooperazione Internazionale*

**Additional Information:**

- Within the framework of this call, both parties will be funding only one project for each announced priority research area (7 areas) designated within the “*of Particular Relevance*” funding scheme, in addition to one mobility project for each research area.
- STDF will provide each of the “*of Particular Relevance*” projects a maximum fund equivalent to 25 K Euros/ project/ year, given that the maximum duration of a project is 3 years.
- Funding for these projects will be made available for the 1<sup>st</sup> year, and will be made conditionally available in subsequent years contingent on the performance and the availability of funds from both sides.
