## Leaders in Innovation fellowships- Phase II

### Introduction

Leaders in Innovation Phase II aim to reach commercialization phase for the innovation outcomes of fellows previously funded through LIF phase I after acceptance of the final progress report of phase I. STIFA may support an implementation phase for the promising business plans.

### Budget and duration

The implementation phase (phase II) will be totally funded by STIFA.

Maximum fund allocated for phase II is up to 530,000 Egyptian Pounds) per project for a maximum period of one year. Phase II seeks the commercialization of the project outputs (patent, prototypes, products, etc.).

### Eligibility criteria:

Previously funded fellows of phase I, with successful final progress report are eligible to submit for phase II. Any other applicant not previously supported by Leaders in Innovation fellowship phase I will be ineligible.

An application for “Phase II” will be requested from the Principal Investigators (PIs) of successful Phase I projects. The application for Phase II should include information about: basic information,

innovation information, Business canvas; key partners, key activities, Key Resources, value proposition, customer relationships, channels, customer segments, cost structure, revenue stream.

## Reporting

The PI will be requested to submit two reports during the implementation of Phase II (every 6 months). Financial report shall be submitted every 3 months

## Timeline /Activity Date

Call open 2<sup>nd</sup> of June 2020
